RE: SCHOOL YEAR 2023-2024 BUS STOP REQUESTS FOR CHILD CARE

DEAR PARENT(S)/GUARDIAN(S):

To assist the district in scheduling the 2023-2024 bus routes for students eligible for transportation within their home school attendance area, we ask that you please review the following information carefully. No bus stop will be provided outside of a student's home school attendance area or outside of the ELCO school district boundaries.

1. ALL requests must be completed and submitted in writing on a "Bus Stop Request for Child Care" form and signed by the parent or guardian. **All transportation requests must be submitted on or before July 21, 2023, to be effective for the first day of school** and are subject to the criteria set forth in item #3 below.
2. **ALL requests are to be forwarded for approval to:** (Email is the preferred method for submitting requests)

Brightbill Transportation  
ATTN: ELCO Office  
2701 E Cumberland St.  
Lebanon, PA 17042

Or via email to: [eschubert@brightbill.com](mailto:eschubert@brightbill.com)

3. Requests for changes in transportation to another location within the student's home school attendance area will be reviewed and considered for approval based on the following criteria:
  - a. The student is eligible for transportation.
  - b. The bus route operates from the student's assigned school.
  - c. The bus route does not have to be changed or extended.
  - d. The load of the vehicle will not exceed the legal limits for the vehicle.
  - e. The change does not increase the cost to the school district.

Each school office has a list of child care facilities to which child care busing is currently in place for that school.

4. All forms must be submitted to the transportation office no later than July 21, 2023 for the change to be effective the first day of school. **Any forms received after July 21st through the first ten (10) days of the school year may take up to three (3) weeks after the opening of school to process.** The Transportation Office requires this time to evaluate schedules and bus loads. For all other times of the year, child care busing requests are normally processed within three (3) to five (5) working days from the date they are received in the transportation office to initiate the change.
5. Approved requests within the student's home school attendance area are effective for **all the years a student is attending the same building they are assigned to when this form is completed.**

**PLEASE NOTE: All student transportation arrangements will automatically revert back to their assigned bus stop based on their home address, when they change/advance to a new building of attendance.**
