

# Lebanon School District 2023-2024 Non-Public School Request for Transportation

Please complete a separate form for each child needing transportation and return to your child's school. Transportation is only provided to students whose home address meets the District's distance requirements from the school they attend: 1.5 miles or more for elementary and 2 miles or more for secondary. It is possible that younger children may be transported while their older siblings are not. To guarantee transportation when school begins, **forms are due no later than August 4, 2023.**

**IF NO FORM IS RETURNED, IT WILL BE ASSUMED THAT NO TRANSPORTATION
